Here to Care

Provides educational and
psychological support to
children disrupted by the loss or
illness of a family member

Our Mission

KVF offers psychological and educational support for children between the ages of 5 to 17 who are going through the illness or loss of a family member. It provides a safe space and a sense of belonging in a community where children share similar experiences.

"For us, KVF is a gift."

KVF's Services

KVF offers various group psycho-educational programmes to its children. These are age specific, and use various mediums such as arts and crafts, stories, martial arts, and group discussions.

The Foundation's services also include one-to-one therapy, group therapy, educational activities and professional networking.

KVF has extended its services to offer therapy to parents.

**"To me you are
angels sent by God."**

Other KVF Projects

Life Beyond Loss

These bereavement groups consist of 12 sessions. They are led by mental health professionals for targeted groups. Spiritual directors are present throughout the sessions. These are done jointly with the Malta Community Chest Fund Foundation and the Franciscan Conventuals.

Because You Matter...

Because We Care

This service aims to provide support to patients receiving treatment abroad and their caregivers. Apart from checking in, KVF offers online one-to-one sessions and crisis interventions.

The Story of KVF

Karl Vella was a very altruistic person always ready to help others even when he himself was going through a terminal illness. Karl lost his battle with cancer on the 16th February 2014. Karl was the inspiration to the setting up of the Karl Vella Foundation whilst his children were the inspiration to the support it offers.

Eventually, KVF was established in May 2014, to promote the wellbeing of children dealing with a loss or a serious illness of a family member. KVF provides support to children between the ages of five to seventeen and strives to maintain a sense of continuity in their lives by offering free educational and psychological support from KVF Centre located in the President's Kitchen Garden in Attard.

All our services are provided free of charge.
